

# New Arrivals *Essentials*

Fall winter 2024

URBANNATURECULTUREAMSTERDAM

# We care for the *love of our world*

There's no such thing as waste! We use leftovers or reuse what we already have to create new products and value materials such as ecomix, cotton mache, banana leaves, recycled glass and ceramics.

Living room, hallway, bedroom  
or home study, floor lamp  
Vidar lights up the room –  
switched on or off.

Modular Seater Tao challenges your creativity, and brings endless possibilities to make the perfect match to your urban home.

Mix it up, serve and enjoy happy hour at home. These cocktail glasses are the finishing touch to every party.

Layers of art, created from nature.  
Coffee table Sienna has a warm,  
golden oak finish and adds a sense  
of elegance, luxury and natural  
aesthetic to your home.

# Essentials 2024

"It's less what the eye sees  
and more what the soul feels."  
It's up to your imagination to  
decide what's locked inside  
the abstract artworks.

If you love it, frame it. A favourite postcard, picture you'll always cherish, or the new, abstract piece of artwork.

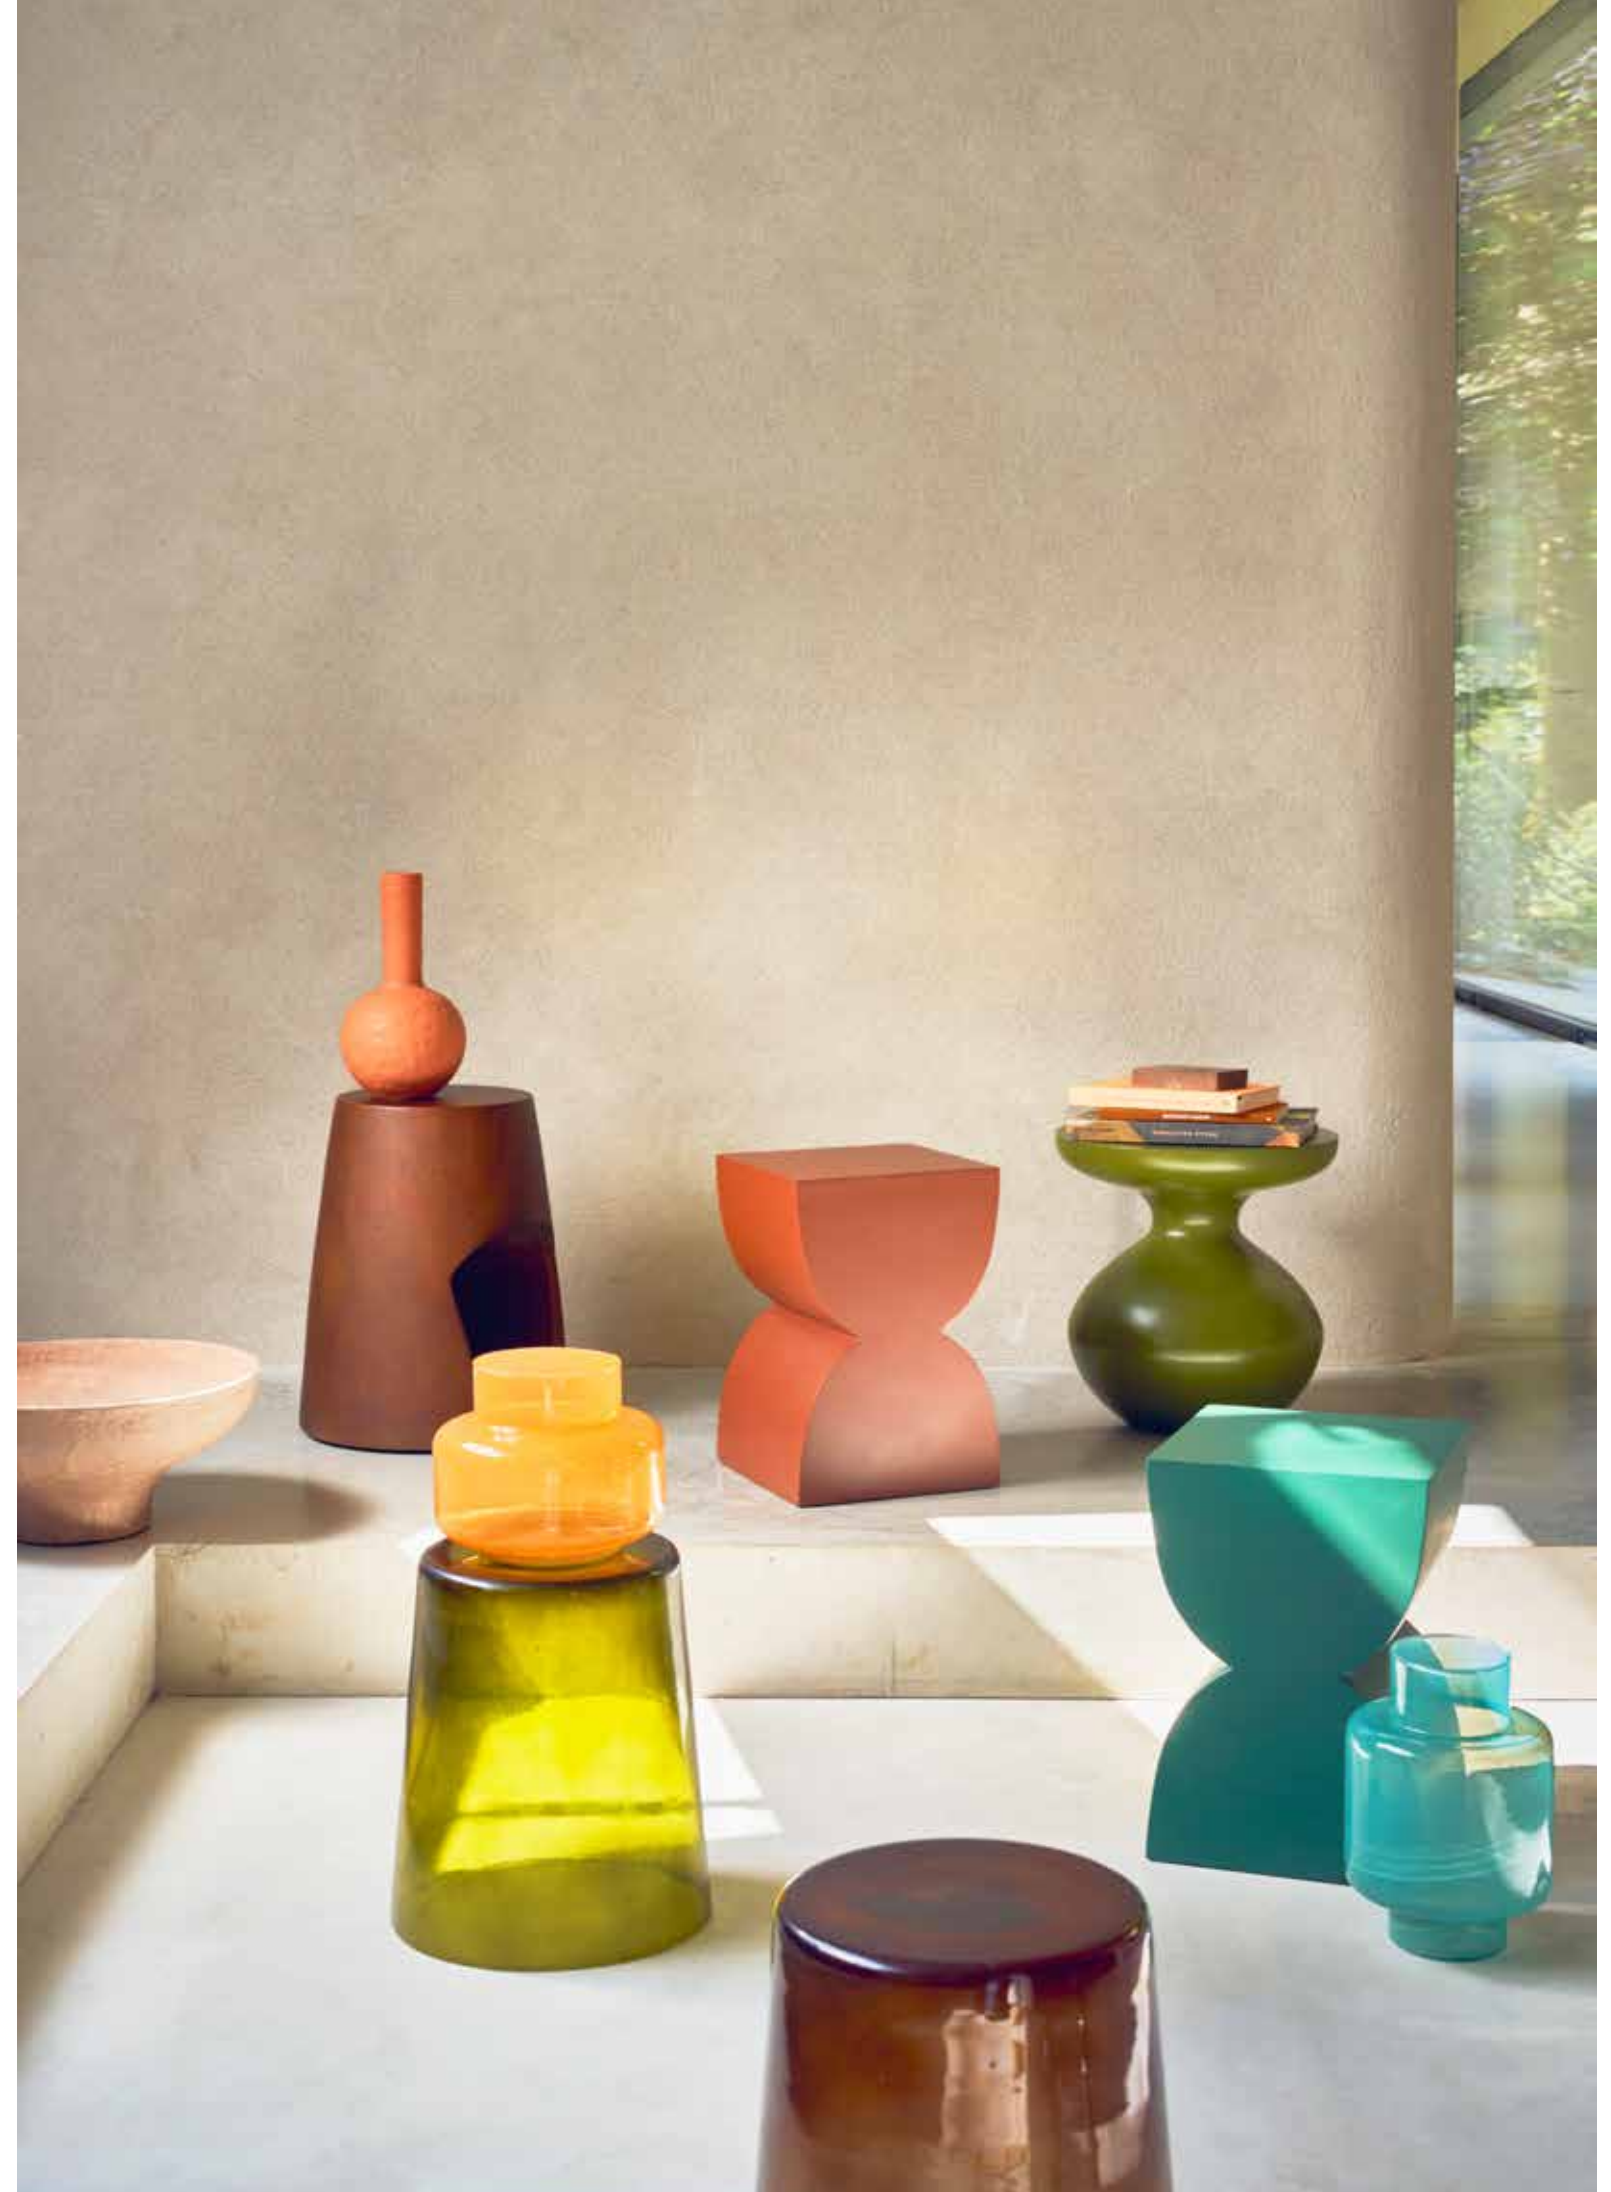

Urban Nature Culture's vases have had quite a journey. Recycled glass waste was made into a thousands tiny pieces, melted and blown into a new shape.

Side table Corvo,  
handmade by artisans  
from sturdy, beautiful  
mango wood, rocks that  
hourglass shape, but with  
a geometric approach.

Vase Pila, made from recycled glass, is a prime example of circularity. Available in transparent, mayfly or flame, this funky, vintage-inspired vase with battered glass makes more than a great display for flowers.

After the birds have sung their morning song and the first glimpse of daylight sets in, it's time to get ready for the day ahead.

# Meet our Materials

## Mango wood

One of the fastest growing trees, It gives other types of vulnerable species a chance to rebound and grow back.

## Recycled glass

Most of our glass products are made of recycled glass.

## Ecomix

Eco-friendly mixture of recycled paper, natural gum and chalk powder.

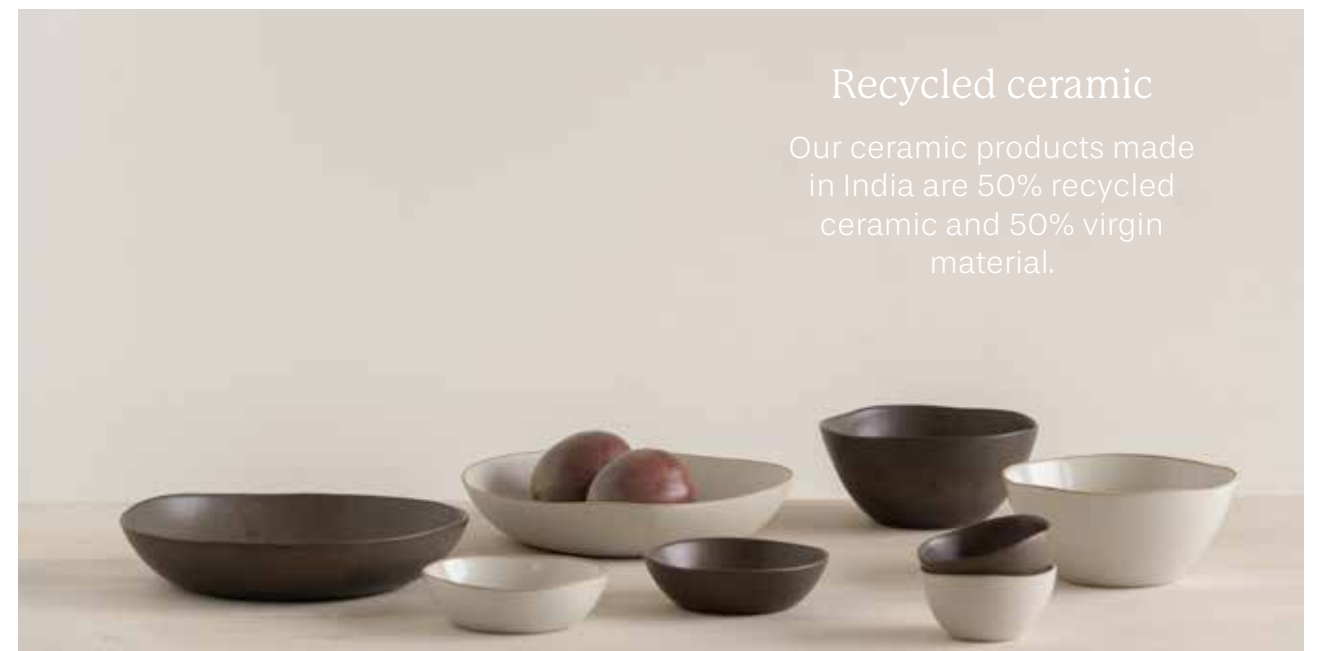

## Cotton mache

Made of cotton fabric waste of the fashion industry. Every piece is made by hand.

## Recycled ceramic

Our ceramic products made in India are 50% recycled ceramic and 50% virgin material.

Urban Nature Culture, an affordable home & lifestyle brand that looks good and feels right for the on-trend and conscious consumer. Responsible where possible to create products & packaging in a sustainable way. We try to re-use, restore and regenerate. How? We use recycled glass and recycled ceramics, cotton waste from the fashion industry, recycled paper pulp and fast growing woods like mango wood.
