Spring Summer 2025 Homeware Collection

Embrace the sun-drenched fields and tranquil afternoons of the Provençal sun with our SS25 homeware collection. Inspired by the iconic landscapes and charming memories captured in France. From the bustling streets of Paris to the azure shores of the Côte d'Azur, this collection will transport you to a bistro setting, or allows to drift off to a seaside dinner setting under the shadows of waving Palms.

Imagine afternoons under the warm Mediterranean sun, the aroma of fresh bread and rich coffee filling the air, and the welcoming ambiance of a Parisian bistro. Cooling off in the sparkling waters at La Piscine, surrounded by the beauty of the French countryside.

A rendez-vous at the bistro on the corner, underneath the palmtrees or à la plage, this collection captures these evocative moments in beautifully crafted homeware. Each piece a sensual tribute to match Mediterranean memories. Delicate sunflower patterns reminiscent of flower fields, tablescapes filled with fresh goods picked up from local markets and the elegant simplicity of soft organic cotton bedding.

The SS25 homeware collection exudes a certain je ne sais quoi, whispering tales of French elegance and timeless allure. From hand-painted ceramics inspired by Parisian cafes to luxurious throws crafted from the finest cotton, each piece is designed to infuse your home with the warmth and charm of the French countryside or the vibrant energy of the City of Paris.
