SUITE702 is founded by Shirley Muijers and Olaf Arkauer in 2018. Shirley is a textile designer with a passion for color and materials. Olaf has a background in advertising. Together they join forces to make luxury, colorful and accessible for a wide audience.

The name SUITE702 refers to John Lennon and Yoko Ono's famous Bed-in. In 1969, as a honeymoon, they spent a whole week in bed in Suite 702 of the Hilton Hotel in Amsterdam. John and Yoko's Bed-In was dedicated to World Peace. With our delightful collection, we encourage people to celebrate life in bed, just like John and Yoko.
